Parkside Apartments, as the name suggests, is adjacent to Giddings City Park nestled in the heart of Giddings. Our residential setting provides access to the park and swimming pool located directly across the street. It is a quiet complex with long term tenants. The community has 1.5 acres of green space with large oak trees and a covered pergola and picnic table for enjoying a picnic or BBQ outdoors. We are pet friendly with a private dog park providing residents a safe, clean and inviting space to interact with their dogs. Our apartment homes are spacious and livable. Cost per square foot is lower than our competition. Vinyl plank flooring provides less issues with allergies and easy maintenance. The apartments have water saving faucets, toilets and shower heads, central AC and heat and energy star appliances. We include pest control, onsite maintenance and property management (with no fee for reporting issues), free online resident portal, free online rent payment system, on-site laundry facilities, onsite off duty deputy sheriff and convenient parking. Sign up for our Credit Builder program and improve your credit score every time you pay rent! Call today for a tour or with any questions you have. We would love to tell you about the great experience of living at Parkside Apartments! follow us on Facebook - https://www.facebook.com/land2bedroomunits/?modal=admin_todo_tour
